The Wine Buff Gorey incorporating A Little Luxury Hampers and Gifts opened their doors at 31 Main Street Gorey in early 2019. Owned by husband and wife team Declan and Emily Murphy we initially focusing on wines from the exclusive Wine Buff range of sustainable wines from small family farms, we gradually expanded into the corporate and local hamper markets.Using only Wine Buff wines and the finest local, national and international food products our hampers offer exceptional quality and value for money.The approach we take with our wines has always been to support small family based winemakers and over the years we have seen many of the vineyards pass from parents to their sons and daughters, who have become good friends with us at The Wine Buff.
