The drinks list at Crystalbrook Byron's Verandah provides the ultimate refreshment and reprieve from the Byron Bay sunshine. Take your pick of mouth-watering signature cocktails, including a Mactini – made with Brookie's Mac liqueur – or choose from a selection of both quirky and classic cocktails and a wine list curated by our very own Beverage Experience Manager. From Byron Bay lagers, ales and stouts to apple ciders, ginger beers and seltzers, Verandah is hardly short on options. Going alcohol-free on your Byron Bay retreat? Sip on an array of delightful mocktails, smoothies, juices and supercharged elixirs. Serving a laid-back lunch, afternoon snacks and some of the best seafood in Byron Bay, why not pop up a 2

chair and christen it as your own. Snack on the finest local produce with a menu of native rock oysters, crispy fish tacos, salt and pepper squid and fresh peel and eat prawns. And if all that Byron Bay exploring has worked up an appetite, tuck into Verandah's delicious coal-roasted pumpkin with beetroot hummus or veer towards the classics with a beef burger with mature cheddar and fries or beer-battered market fish with lemon and pea tartare. Verandah is the perfect combination of poolside hangout, leisurely lunch spot and Byron Bay cocktail bar, blissfully surrounded by subtropical rainforest at Crystalbrook Byron.
