Website: <https://moveable-walls.co.uk/> Moveable Walls Ltd designs, supplies and installs premium acoustic moveable wall systems for offices, schools, hotels and conference spaces across the UK. The company specialises in flexible space solutions that combine functionality, sound insulation and style. Each system is precision engineered to maximise space efficiency while maintaining privacy and acoustic performance. Moveable Walls Ltd offers bespoke configurations, including sliding, folding and operable wall partitions, tailored to client requirements. The company manages every stage from consultation to installation with expert precision. Its mission is to transform spaces through intelligent, adaptable wall systems that enhance productivity, design and acoustic control.
