Phone: 07759972755

At Colour Code Smart Repairs in Ripon, we bring expert vehicle care directly to you. Our mobile mechanic service specialises in SMART repairs, handling minor dents, dings, and scratches quickly and efficiently. We make it easy to restore your car's appearance without the need to visit a workshop, ensuring your vehicle looks its best every time. We also offer a full range of cosmetic vehicle services, including alloy wheel repair, machine polishing, and headlight restoration. Our team works around your schedule, delivering professional results wherever you need us in Ripon. With our mobile service, you don't have to compromise on convenience or quality. Our expertise extends to plastic trim repairs and bumper scuff and scratch removal. We take care of those everyday marks that can affect your car's look and value. At Colour Code Smart Repairs, we pride ourselves on attention to detail, high-quality finishes, and a friendly, approachable service that keeps your vehicle in top condition. Website:
